WARD 33 DON VALLEY EAST

September 9, 2016

MEMORANDUM

To: North York Community Council

After extensive consultation with the residents of the Brian Drive area, the overwhelming consensus was that the neighbourhood would like to see a reduction of the posted speed limit to 40 km/h along Brian Drive to enhance safety throughout the Brian Village area.

I respectfully request that this matter be added to the North York Community Council agenda, on Monday, September 12, 2016.

Recommendation:

1. Reduce the speed limit from 50 km/h to 40 km/h on Brian Drive from Sheppard Avenue to Van Horne Avenue.

Respectfully Submitted,

Councillor Shelley Carroll
Ward 33 – Don Valley East
