Re: TORONTO PRESERVATION BOARD, September 28, 2016, Item PB17.4 10 Buchan Court  
(Wynyates Farm/Colonel Phillips Estate) Ward 33, Don Valley East

Our association has just been made aware of this meeting and we would like to register our support that the property which falls into our associations boundaries be designated under Part IV, Section 29 of the Ontario Heritage Act and that the property owner enter into a Heritage Easement Agreement with the City to ensure the long-term protection of the heritage property.

Our neighbourhood has always hoped that this piece of the area's history could be preserved for future generations to see and this we feel, is the best way to achieve that.
