Statement of Significance for properties to be included on the City's Heritage Register

Contextually, the property at XX Yonge Street is valued for its contribution to the character of Yonge Street, south of Bloor Street, which is typified by the surviving buildings, both individual and in groups, which are historically linked to the metamorphosis of Yonge Street into Toronto's main commercial corridor. It contributes to Yonge Street's commercial main street character, which is expressed, in part, by mixed-use and commercial buildings that housed the services, amenities, and employment opportunities to support daily life in neighbouring residential areas, and which also provided cultural pursuits for the entire city. As such, it is physically, functionally, visually and historically linked to Yonge Street, south of Bloor Street.
