

2016 Toronto Heritage Grant Awards: Non-House Form Properties

**315 Dundas Street East
All Saints Anglican Church**

Project: To repair damaged exterior masonry on all elevations, particularly on the lower portion of the building. Work includes brick replacement, repointing, and cleaning.

2016 Toronto Heritage Grant Awards: Non-House Form Properties

16 Ryerson Avenue Theatre Passe Muraille

Project: To restore two existing entrances on the principal elevation, including doors, door frames, and transom windows. In the central door opening, two replacement doors will be replicated based on photographs of the original doors.

2016 Toronto Heritage Grant Awards: Non-House Form Properties

Project: To repair damaged masonry on all four elevations, including repointing, brick replacement, repair of cast stone pilaster caps, and repair of cast stone window sills.
