From: Councillor Mark Grimes
Subject: Request to defer PG8.10 Mimico-Judson Regeneration Study Area – Directions Report

Dear Members,

As the local Councillor for the study area, I am requesting that you defer this item to the January 2016 Planning and Growth Management Committee. My community and I have some concerns about the recommendations in this report, and I would appreciate the opportunity to discuss them further with ward 6 residents, area land owners, and city staff. I believe deferring this item to January will allow sufficient time to come to a resolution satisfactory to all parties.

Thank you for your consideration of my request. If you have any questions or concerns, please don't hesitate to contact me.

Sincerely,
