RE: PG13.6 - 64 Fordhouse Blvd, Etobicoke Sign Application

Dear Councillor Shiner,

I am the owner of 2159322 ONTARIO INC. (o/a Sunny AutoTech Inc.) located at 29 Algie Ave in Etobicoke. We currently have a 14'x48' digital third party LED sign on our property which is mentioned in the staff report for the proposed sign being applied for at 64 Fordhouse Blvd, Etobicoke, ON.

I am writing this letter to express my support for the new 14'X48' third party sign being proposed at 64 Fordhouse Blvd.

We have no concern that this sign will obstruct in any way to our current sign, given the difference in the sightlines show to us by the applicant.

I have discussed this issue with many neighbours and business owners on the street, and we all welcome Intact Insurance, and their employees at 64 Fordhouse Blvd, and the new sign which is across the street from my business.

Sincerely,

Mandeep Kaur
Owner/Director
