Attachment 1

Attachment 1 - Overview of WDA Funding in 2014

Material	Quantities Managed	Funding for Programs ¹
Blue Bin Recyclables	157,094 tonnes ²	\$23,214,108 ³
Household Hazardous Waste Phase 1 ⁴	2,548 tonnes	\$971,641
Household Hazardous Waste Phase 2 ⁵		\$230,782 ⁶
E-waste	937 tonnes	\$143,180 ⁷
Used Tires	114 tonnes (10,332 tires)	\$9,092

1. Funding excludes HST.
2. Funding for tonnes managed in 2012 is received two years later (2014). Does not include 41,291 tonnes (19.62%) of residue.
3. Includes prior year adjustments. Funding is for services provided two years prior (2012).
4. Paints, antifreeze, fertilizers & pesticides, pressurized cylinders and solvents. Industry Stewardship Plan approved for solvents in 2015. Solid Waste Management Services entered into an Agreement to provide service until 2020.
5. Batteries, fire extinguishers, fluorescent light bulbs, mercury-containing devices, sharps & pharmaceuticals
6. Provincial funding cancelled as of September 30, 2014.
7. July-December 2014; excludes sales contract from January-July 2014.
