Dear Ulli Watkiss:

At its meeting on Thursday, February 25, 2016 the Toronto Transit Commission Board considered the attached report entitled "TTC Bicycle Initiatives".

The Board approved the recommendation in the staff report, as follows:

"It is recommended that the Board:

1. Receive this report for information.
2. Refer this report to the Public Works and Infrastructure Committee for consideration".

The Board also adopted the following member motions:

- i) That the Board request staff to establish a dedicated bike plan staff and team.
- ii) The team review resources required to plan and implement a stronger bike parking plan in 2016 and beyond.
- iii) The team use 2016 to develop an integrated TTC and City bike parking strategy at subway stations in conjunction with the city's effort in this regard.
- iv) That the Board request staff to review the feasibility of introducing semi-permanent (e.g. metal) stair channels at existing stations; and
- v) Where feasible, install semi-permanent stair channels as a specific initiative within the TTC's Bike Plan.
