Subject: PW11.6 - Cycle Track on Lake Shore Blvd West
Date: Thursday, February 25, 2016 12:18:07 PM

Public Works & Infrastructure Committee,

I'd like to voice my support for the building of a bi-directional cycle track on Lake Shore Blvd West between Norris Cres and First Street.

I'm a Mimico resident and in the summer months we regularly go on bike outings as a family. Going west is difficult due to the lack of safe cycling routes. With this gap filled we would be able to safely enjoy cycling westwards for a day at Sam Smith Park or Marie Curtis Park.

Thanks,
Chris Moore
