To the City Clerk:

Please add my comments to the agenda for the March 1, 2016 Public Works and Infrastructure Committee meeting on item 2016.PW11.6, Waterfront Trail - Proposed Contra-flow Bicycle Lanes on Waterfront Drive and Feasibility of Closing Gap on Lake Shore Boulevard West, between Norris Crescent and First Street

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:

Humber Bay Shores Condominiums Association is **OPPOSED** to the contra-flow bike lane on Waterfront Drive. We are in favour of keeping a higher speed bike transit corridor on Lake Shore from Norris Crescent to Humber River eastward. It has been wrongly implied by city staff and special interest groups that the Humber Bay Shores community support the contra-flow lane at Waterfront Drive.
