Subject: PW12.1 I support bike lanes on Bloor

Dear members of the Public Works and Infrastructure Committee,

I am writing to express my support for pilot bike lanes on Bloor this summer. I live in the Annex and I frequently cycle and walk along Bloor to travel to work, shopping and recreation. I think the road would be safer for everyone - whether they are driving, cycling, or walking - when the proposed pilot is installed.

It is crucial that the City finds new and innovative ways to allow us all to share the road safely. I believe this pilot project is a step in the right direction.

Sincerely,

Meredith James
