Subject: Pilot bike lanes on Bloor

Dear Members of PWIC,

I am writing to you today on behalf of the Bicycling Subcommittee of the Toronto Island Community Association. TICA has actively supported the introduction of bicycle infrastructure in the downtown core. We have been particularly pleased with the Adelaide/Richmond, Harbord, Sherbourne, St. George/Simcoe and the Queens Quay bike tracks.

Given that the Toronto Islands is home to many year round daily cyclists, we welcome the pilot Bloor lanes. As downtown residents, we often find ourselves crossing the city east/west and need a safe route to do it.

Please do support the Bloor bike lanes pilot. We believe this is a terrific addition to our city's transportation infrastructure.

Sincerely,
Stephen Cooper
TICA Bicycling Subcommittee
