Dear Members of Public Works & Infrastructure Committee:

The Mimico Residents Association Board of Directors would like to voice it's **support** for the City Bike plan **PW13.11**. We ask that you approve funding for the plan to ensure that the Major Corridor Study for "**Lake Shore (Humber to Mississauga)**" occurs in 2017.

Adding a safe route on Lake Shore Blvd through Mimico will give commuting cyclists a safe option through our community that avoids the busy waterfront multi-use trail. Furthermore, it is important that we move quickly on this to avoid further collisions and injuries between the many users of the waterfront trail.

Yours truly,

Chris Moore  
President, Mimico Residents Association
