Subject: Fwd: Riverdale Cleaners in Support of Bike Lanes on Danforth

Dear PWIC esteemed members, Council, staff, and Mr. Mayor

I own Riverdale Cleaners, a new business at Broadview and Danforth. In the time we've been open, I have noticed a significant percentage of my customers arrive by bicycle. I would not have believed customers dropping off, and collecting dry cleaning by bicycle if I didn't see it for myself. I think it is important to include Danforth Avenue, and Broadview avenue to the bike lane pilot. I know I will see an increase in sales revenue. In the space of 5 pick up trucks, which may park for a few hours in front of my store, we could have parking for 50 or more bicycles, and a free flowing dedicated cycle lane - that is a lot of customers for me, and my neighbours. Let's make it easier for us to do business!

PS, we'd also love more bike parking :)

Thank you,
Cullyn Godfrey
