

CONDOLENCE MOTION

Moved by: Councillor David Shiner

Seconded by: Councillor Joe Mihevc

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Francis Henry ("Frank") Walsh on August 28, 2016.

Frank joined the City of Toronto Legal Division in the Real Estate Law Practice Group in the year 2000. During his 16 years of law practice with the City, he was a highly-valued and trusted Counsel to his clients and colleagues alike. He was patient, kind, a wordsmith and a born mentor. He revelled in the challenges of real estate law, tax and technology. When not immersed in the practice of law, Frank was a devoted husband and father, but also made time for his artistic passions of creating and playing music on guitar and banjo.

Frank's legacy to the City Legal Division includes not only his humour and collegiality, but above all, his integrity.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Frank Walsh's family.
