

CONDOLENCE MOTION

Moved by: Deputy Mayor Denzil Minnan-Wong

Seconded by: Councillor Michael Ford

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Anthony 'Tony' Ellis on November 21, 2016.

Tony was born in London, England and raised in Toronto. As a young man, he graduated from Queens University and the University of Toronto, eventually becoming a physics teacher at De La Salle College here in Toronto. He was a passionate teacher, always working to challenge and inspire his students.

Following his teaching career, Tony became very active in his community. He volunteered for a wide range of activities. Most recently he took on a leadership role organizing and running the O'Conner Hills Canada Day Picnic in Ward 34. Tony valued civic engagement and being involved with his community.

In his spare time, Tony loved to garden, travel and spend time with his family. His frequent trips to the Sunshine State earned him the nickname "Mr. Florida".

Tony was a beloved husband, father, grandfather and friend. He will be greatly missed.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to the Ellis family.
