To the City Clerk:

Please add my comments to the agenda for the March 22, 2016 Sign Variance Committee meeting on item 2016.SB8.2, Application by Outfront Media for One Third Party Electronic Ground Sign Near Eglinton Avenue East and Leslie Street (0 North York Row)

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:

It's outrageous that such an area is even permissible to allow for any electronic billboards with all of the established negative health effects and negative environmental consequences of night lighting. In this case, not only is there night lighting but frequently changing light flashes will enter into our bedrooms. There is no benefit to the city for a billboard. Please do not allow turn down this request and keep Toronto great!
