To the City Clerk:

Please add my comments to the agenda for the March 22, 2016 Sign Variance Committee meeting on item 2016.SB8.2, Application by Outfront Media for One Third Party Electronic Ground Sign Near Eglinton Avenue East and Leslie Street (0 North York Row)

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments: I would like to ask the committee to not approve this amendment. The public realm is inundated with commercial advertising, and it is everywhere. really, EVERYWHERE. Please do not allow such a large, bright commercial vehicle (the sign) to be allowed to go ahead. Please allow our parks and nature spaces to be that, natural spaces, not commercials.

it is bad enough that there are ads wrapping the streetcars and in the subway stations (not just the poster areas) and then our garbage cans and our bus shelters and so many billboards on buildings and beside road was. ENOUGH already.

E. Oliver
