To the City Clerk:

Please add my comments to the agenda for the March 22, 2016 Sign Variance Committee meeting on item 2016.SB8.2, Application by Outfront Media for One Third Party Electronic Ground Sign Near Eglinton Avenue East and Leslie Street (0 North York Row)

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:

I am pleased to see that our city council is unwilling to allow this monstrous flashing sign to deface the neighbour hood. not only would the residents be bothered by the constant flashing but drivers going east and coming down Leslie would also be distracted. We are so lucky to have green spaces that have wildlife, I have often seen deer and we don't need to have "commercial vibrancy" to make it beautiful

Vote against the sign!

Thank you,
