To the City Clerk:

Please add my comments to the agenda for the March 22, 2016 Sign Variance Committee meeting on item 2016.SB8.2, Application by Outfront Media for One Third Party Electronic Ground Sign Near Eglinton Avenue East and Leslie Street (0 North York Row)

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments: I am absolutely appalled at this idea. Any billboard would be an intrusion, but to suggest that each ad only lasts 10 seconds but changes constantly is insulting our intelligence. Is Trump somewhere involved?
