To the City Clerk:

Please add my comments to the agenda for the March 22, 2016 Sign Variance Committee meeting on item 2016.SB8.2, Application by Outfront Media for One Third Party Electronic Ground Sign Near Eglinton Avenue East and Leslie Street (0 North York Row)

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:

I am visually OVERWHELMED by a lot of flashy signage.
And... if you're a migraine sufferer - then it's even worse on high barometric pressure days.
We need visual relief - respite from the chaos.
I love the city but ... we all have our limits.
