Motion to Scarborough Community Council submitted by Councillor Cho on January 19, 2015

Recommendations

Councillor Raymond Cho recommends that:

1. City Council amend the definition of "Excluded Area" as found in Subsection 925-1B in the City of Toronto Municipal Code Chapter 925, to insert a new subsection (g) in Subsection (2) to read:

"The area bounded by Steeles Avenue East to the north, Pickering Town Line to the east, Twyn Rivers Drive, Sheppard Avenue East, Conlins Road and Highway 401 East to the south, McCowan Road, Sheppard Avenue East and Markham Road to the west."

Background

In recent years there has been an increase in demand from residents of various streets within Ward 42 to allow for the implementation of permit parking in order to accommodate their long term parking needs without being subject to tagging by Parking Enforcement Officers.

Permit parking is currently not permitted in ward 42 as this area is included in the "excluded area" definition under Chapter 925, Permit Parking.

This motion seeks an amendment from Subsection 925-1 of City of Toronto Municipal Code Chapter 925, Permit Parking, to allow Scarborough Community Council to consider a request to allow streets in Ward 42, the area bounded by Steeles Avenue East to the north, Pickering Town Line to the east, Twyn Rivers Drive, Sheppard Avenue East, Conlins Road and Highway 401 East to the south, McCowan Road, Sheppard Avenue East and Markham Road to the west, to be incorporated within the residential permit parking program.

Sincerely,

Dr. Raymond Cho
Toronto City Councillor
Scarborough-Rouge River, Ward 42
