

STAFF REPORT ACTION REQUIRED

No Parking Zone – Fishleigh Drive

Date:	January 29, 2016
To:	Scarborough Community Council
From:	Director, Transportation Services, Scarborough District
Wards:	Ward 36 – Scarborough Southwest
Reference Number:	P:\2016\Cluster B\TRA\Scarborough\sc1619.docx D15-6989929 Fishleigh Drive near Glen Everest Road, Parking Regulation

SUMMARY

This staff report is about a matter for which the Community Council has delegated authority from City Council to make a final decision.

This report recommends that a No Parking zone be established on the south side of Fishleigh Drive at the access to a Toronto Water pumping station. Staff have confirmed the need for these proposed changes to the regulations in this area to allow for safe and efficient access to the municipal facility. Currently, this area has the unposted 3-hour parking regulation in effect, which often results in this access being impeded by parked vehicles.

RECOMMENDATIONS

Transportation Services recommends that Scarborough Community Council:

1. Prohibit parking at all times on the south side of Fishleigh Drive, from a point 76 metres east of Glen Everest Road to a point 94.8 metres further east.

Financial Impact

The financial cost of installing the subject recommended No Parking signage is approximately \$500.00. The funding for the signs has been requested in the Transportation Services 2016 interim Operating Budget, within Cost Centre TP0397.

ISSUE BACKGROUND

Further to a request from Councillor Gary Crawford, Transportation Services staff have reviewed the parking and access conditions on the south side of Fishleigh Drive at the access to a Toronto Water pumping station.

COMMENTS

The following characteristics describe Fishleigh Drive:

- Fishleigh Drive is a collector road located east of Kingston Road, forming a "T-type" intersection on the east side of Glen Everest Road.
- A municipal pumping station is located on the south side of Fishleigh Drive east of Glen Everest Road.
- The area is comprised of multi-unit residential dwellings and some single family residences opposite this municipal facility.

Staff have determined that a parking prohibition is required to maintain access/egress to the municipal facility located on the south side of Fishleigh Drive east of Glen Everest Road.. The installation of this parking regulation will provide safe access/egress to the municipal facility.
