Good day, Scarborough Councillor Colleagues,

At the October 6th Community Council meeting motions were tabled to explore the possibility of animating the Scarborough Civic Centre and Albert Campbell Square grounds to include a Canada Day celebration and other events showcasing the public centres that are available to all of us. Please visit the link below to refresh yourselves on this issue <http://app.toronto.ca/tmmis/viewAgendaItemHistory.do?item=2015.SC9.20>

In this effort, I wish to add an item of new business at the April 5th Community Council meeting, requesting that Scarborough Community Council permit a brief presentation from my staff providing update to the proposed Canada Day celebrations that are already underway. As mentioned at a previous community council session, we identified interest in expanding Canada Day celebrations to include an additional campus at Scarborough Civic Centre and Albert Campbell Square.

My staff in conjunction with a professional event planner have been working on a theme for this day's event that not only covers the story of Scarborough, but echoes the history of Canada.

As well, we will recount some of the events that have already been deemed a success, and highlight some of the proposals that are being entertained presently. Your input and more importantly involvement in this endeavour is greatly appreciated and welcome.

Yours Sincerely,

A handwritten signature in black ink that reads 'Chin Lee'. The signature is fluid and cursive, with the first and last names clearly distinguishable.
