1396 1400 Kingston Road demo permit update

To Magda Ishak

Cc Gail (Executive Asst) Ross; 'Richard Herlick'; 'Charles Vallance'

Hi Magda

Hope the summer is going well and that you have a good upcoming holiday

To further update you on the 1396 Kingston road tenants I would like to clarify a couple of items.

1. The residential tenant at 1396 Kingston road is moving out of the apartment as of August 31, 2016. Once she moves out the apartment will be vacant
2. The other residential tenant moved out June 30, 2016

As such, there will be no residential tenants in 1396 Kingston road by August 31, 2016 and no residential tenants are at 1400 Kingston road

3. The commercial tenant at 1396 Kingston Road is moving out September 30, 2016. At this time the building will be completely vacant.
4. 1400 Kingston road only has commercial tenants
5. We currently have the entire site under Site Plan application process. We have received comments on the site plan application and we are now waiting for a hearing date from the Committee of Adjustments for a few minor variances.

If you need any further information please feel free to contact me

Thank you
