

# Celebrating Manufacturing and Technology in Scarborough

## Opportunities for the Future

Thursday, October 13  
9 a.m. - 12 p.m.

Opening remarks at 9 a.m.  
Scarborough Civic Centre  
150 Borough Drive

If you are between 18 to 29 years of age *or looking for a new career*, join us and learn about incredible products and future career opportunities in the Scarborough manufacturing and technology sectors. Meet and network with industry professionals. Hear why manufacturing and technology companies are important to the Scarborough economy, what they do and how they do it.

Please register online at [toronto.ca/ecportal](http://toronto.ca/ecportal) (keyword: celebrating) or contact Nicole Green at 416-397-1026 for additional information.
