Re: Toronto Hydro Corporation Board of Directors

Dear Striking Committee,

I am very pleased to put my name forward for re-appointment to serve on the Toronto Hydro Corporation Board of Directors

Over the past two years as a current Board member I have been very diligent in making meaningful contributions to the Toronto Hydro Corporation Board of Directors. I feel it is very important for the City of Toronto as the only shareholder of the corporation to ensure we have a well-run operation, which also ensure a reliable supply of electricity for our residents.

I look forward to be able to continue to fulfill my work with the Board of Directors.

I look forward to your support.

Sincerely,
