ISSUE BACKGROUND

The subject subdivision is shown on the attached reduced copy of the Plan of Subdivision 66M-2441 (Attachment 1). The municipal services required under the terms of the Subdivision Agreement, dated July 5, 2007 between the Toronto Community Housing Corporation and the City of Toronto are in the required condition to be assumed by the City. The streets comprise the following:

- Munro Street, from Thompson Street to Dundas Street East
- Matilda Street from Carroll Street to Munro Street
- Kintyre Avenue from Hamilton Street to Munro Street
- Lane west of Hamilton Street, between Thompson Street and Kintyre Avenue

COMMENTS

The municipal roads and services within Munro Street, Matilda Street, Kintyre Avenue, and the Lane west of Hamilton Street, between Thompson Street and Kintyre Avenue have been completed in accordance with the Subdivision Agreement and these roads and services can now be assumed by the City.
The local Councillor and all other affected City Divisions have been advised that the City intends to assume the roads and associated services and no objections have been raised. Since the services are in satisfactory condition, it is recommended that Council pass an assumption by-law to assume the municipal roads and services (Munro Street, Matilda Street, Kintyre Avenue, and the Lane west of Hamilton Street, between Thompson Street and Kintyre Avenue) within Don Mount Court Subdivision.
