SCHEDULE A
Section 37 Provisions

The facilities, services and matters set out below are required to be provided to the City at the owner's expense in return for the increase in height and density of the proposed development on the lands as shown in Diagram 1 in this By-law and secured in an agreement or agreements under Section 37(3) of the Planning Act whereby the owner agrees as follows:

(1) Prior to issuance of the first above grade building permit the owner shall make a cash contribution to the City in the amount of $30,000 to be allocated at the discretion of the Chief Planner and Executive Director, City Planning Division in consultation with the Ward Councillor, toward any one or more of the following:

   a) Toronto Bike Share;
   b) Local parks improvements;
   c) Improvements to local community facilities.

Such amount to be indexed upwardly in accordance with the Statistics Canada Construction Price Index for Toronto, calculated from the date of the Section 37 Agreement to the date the payment is made.

(2) In the event the cash contribution(s) referred to in Section 1 has not been used for the intended purpose within three (3) years of this By-law coming into full force and effect, the cash contribution may be redirected for another purpose, at the discretion of the Chief Planner and Executive Director of City Planning, in consultation with the local Councillor, provided that the purpose is identified in the Toronto Official Plan and will benefit the community in the vicinity of the lands.

(3) The following matters are also recommended to be secured in the Section 37 Agreement as a legal convenience to support development:

   i. The owner shall pay for and construct any improvements to the municipal infrastructure in connection with the site servicing assessment, should it be determined that improvements to such infrastructure is required to support this development.

   ii. Prior to the issuance of any building permit for the site, the owner shall enter into an agreement to construct a new sanitary sewer on Cherrywood Avenue, to the satisfaction of the Executive Director, Engineering and Construction Services.

   iii. Prior to the issuance of any building permit for the site, the owner shall prepare at its expense all documents and convey to the City, at a nominal cost, a 0.67 metre wide strip of land to the full extent of the site abutting the north limit of the east-west public lane that runs easterly from Rushton Road, and a 0.67 metre wide strip of land to the full extent of the site
abutting the north limit of the east-west public lane that runs westerly from Cherrywood Avenue, such lands to be free and clear of all encumbrances, save and except for utility poles, and subject to an access easement, all to the satisfaction of the Executive Director, Engineering & Construction Services and the City Solicitor;

iv. Prior to the issuance of any building permit for the site, the owner shall prepare all documents at its expense and convey to the City, at a nominal cost, a 1.5 metre by 1.5 metre daylight triangle space, at the south-easterly portion of the section that connects the public lanes that extend from Rushton Road and Cherrywood Avenue, such lands to be free and clear of all encumbrances, save and except for utility poles, and subject to an access easement, all to the satisfaction of the Executive Director, Engineering & Construction Services and the City Solicitor;

v. The Owner shall submit to the Executive Director, Engineering & Construction Services, for review and acceptance, prior to depositing in the appropriate Land Registry Office, a draft Reference Plan of Survey, in metric units and integrated with the Ontario Co-ordinate System, showing the co-ordinate values at the main corners of the development lands, and delineating thereon, by separate PARTS, the lands to be conveyed to the City and any appurtenant rights-of-way.
