RE: Reopening of Item TE15.63 – Extension of Existing No Parking Prohibition, No. 5 and No. 7 Strathearn Road
DATE: May 24, 2016

SUMMARY:

At the April 5, 2016 meeting of Toronto East York Community Council, an error was made with item TE15.63, regarding changes to a Parking by-law on Strathearn Road which resulted in the loss of on-street parking to the east of No. 5 Strathearn Road. The intent was to extend No Parking to a section of curb to the west of No. 5 where it was thought No Parking existed to the east of the drive. To amend this decision the item requires reopening.

RECOMMENDATIONS:

1. Toronto East York Community Council consents to reopening Item TE15.63 - Extension of Existing No Parking Prohibition, No. 5 and No. 7 Strathearn Road, considered at its April 5, 2016 meeting; and
2. Deletes recommendation 1. in TE15.63 and replaces it with the following recommendation:

"That the No Parking Prohibition operating at all times on the south side of Strathearn Road between Bathurst Street and a point 72 metres west be maintained."
