RE: Parking Amendment - Front Street East, between Trinity Street and Cherry Street

SUMMARY

The Toronto Transit Commission (TTC) is planning to operate the '121 Front-Esplanade' bus route along Front Street East. A new transit stop will be established on the south side of Front Street East, west of Cherry Street. Due to the narrow pavement width, the TTC has requested that standing be prohibited at all times on the south side of Front Street East, between Trinity Street and Cherry Street, to facilitate regular bus service. This proposal will result in the loss of about 11 on-street parking spaces. Additionally, pay and display parking is proposed to operate on the north side of Front Street East, between Cherry Street and Trinity Street, and will provide about 21 on-street parking spaces.

RECOMMENDATIONS

1. City Council rescind the existing parking prohibition in effect at all times on the south side of Front Street East, between Cherry Street and a point 33.5 metres west of Cherry Street.
2. City Council amend the existing parking prohibition in effect at all times on the south side of Front Street East, between Eastern Avenue and a point 36 metres east of Trinity Street, to be in effect from Eastern Avenue to Trinity Street.
3. City Council rescind the existing standing prohibition in effect from 8:00 a.m. to 6:00 p.m. on the south side of Front Street East, between a point 60 metres east of Trinity Street and a point 26 metres further east.
4. City Council prohibit standing at all times on the south side of Front Street East, between Trinity Street and Cherry Street.
5. City Council authorize the installation of parking machines on the north side of Front Street East, between Cherry Street and Trinity Street, to operate from 8:00 a.m. to 9:00 p.m., Monday to Saturday and from 1:00 p.m. to 9:00 p.m. on Sunday, for a maximum period of three hours at a rate of \$2.25 per hour.
