Re: Amending TE 16.39 Danforth Planning Study (Coxwell Avenue to Victoria Park Avenue)

I have been notified by City Planning that previously approved item TE 16.39 ‘Preliminary Report - Danforth Avenue Planning Study (Coxwell Avenue to Victoria Park Avenue) - City-Initiated Official Plan Amendment’ needs to be reopened and amended for greater clarity.

I am asking for Community Council’s indulgence to reopen and amend this item.

Recommendation

Reopen TE 16.39 and replace recommendation 2 with the following: “Notice to be given to residents, landowners and other stakeholders on both sides of Danforth Avenue in a radius to be determined by the two local councillors”.

Thank you,

Councillor Mary-Margaret McMahon
