SUMMARY

This staff report is about a matter which Community Council has delegated authority from City Council to make a final decision.

Transportation Services is requesting approval from Toronto and East York Community Council to amend the existing permit parking regulation on West Lynn Avenue between the south end of West Lynn Avenue and Danforth Avenue to exempt permit holders from the meters during the hours of 8:00 a.m. to 6:00 p.m., Monday to Friday.

By amending this restriction, permit holders on the street will have the same exemptions as in other permit areas of the city.

RECOMMENDATIONS

Transportation Services recommends that Toronto and East York Community Council:

1. Amend the existing permit parking regulations on the even side of West Lynn Ave, between the south end of West Lynn Ave and Danforth Avenue to exempt permit holders from the requirement to pay at the parking machines at this location.

FINANCIAL IMPACT

The amount of \$300.00 is available within the current Toronto Transportation Services 2015 Operating Budget.

ISSUE BACKGROUND

A request was received from Councillor Mary Margaret McMahon, on behalf of area residents, to amend the current permit parking regulations to exempt permit holders from paying at the parking machines as is the case in most areas of the city.

By amending this permit parking regulation, permit holders will be able to access a greater number of parking spaces in the area

COMMENTS

West Lynn Avenue is a local street operating in a two-way north/southbound direction, on a pavement width of 8.5 metres. There is no TTC Service on West Lynn Avenue.

Permit Parking is in place on both sides of the street under the operating hours of 12:01 a.m. to 7:00 a.m., 7 days a week. Additionally, metered parking is in effect on the even side operating between 8:00 a.m. to 6:00 p.m., Monday to Saturday. Currently permit holders are not exempt from paying at the metres during this period.

Transportation Services has no objections to exempting permit holders from paying at the parking machines.
