### **SUMMARY**

---

Transportation Services is requesting approval from City Council to amend the boundary of permit parking area 9A.

Transportation Services has assessed the realignment of permit parking area 9A to exclude the property located at 2301 and 2315 Danforth Avenue as requested by Toronto and East York Community Council on September 7, 2016. We are recommending approval of the realignment as it will not impact negatively on the permit parking area.

### **RECOMMENDATIONS**

---

**Transportation Services recommends that:**

1. City Council approve the amendment to Schedule B of the City of Toronto Municipal Code, Chapter 925, Permit Parking, to incorporate a revised map of permit parking area "9A", as attached in Appendix A of the report (September 22, 2016) from the Manager, Right or Way Management, Transportation Services, Toronto and East York District.

## **FINANCIAL IMPACT**

There is no financial impact associated with this report.

## **ISSUE BACKGROUND**

At its meeting September 7, 2016 Toronto and East York Community Council in considering a motion by Councillor Janet Davis, issued on behalf of Councillor Joe Mihevc, in reference to item TE18.6, requested Transportation Services to examine and report back to Toronto and East York Community Council regarding the realignment of permit parking area 9A and the exclusion of the subject site 2301 and 2315 Danforth Avenue.

## **COMMENTS**

Permit Parking area 9A is bounded by Coxwell Avenue, the former boundary of Toronto and East York, Victoria Park Avenue and the CN Railway. Area 9A has 2,186 on-street parking spaces. To date, 1,850 permits have been issued. This area does not have a history of being waitlisted meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces. With the increase in development, there is potential for congestion in the future. There is TTC service on Danforth Avenue. The Councillor and residents neighbouring 2301 and 2315 Danforth Avenue support this action as a means of ensuring that this new development does not negatively impact the permit parking supply to the existing neighbourhood.

Transportation Services has no objections to the exclusion of 2301 and 2315 Danforth Avenue from permit parking area 9A
