

TO: Toronto East York Community Council (TEYCC)
FROM: Councillor Joe Mihevc, Ward 21 St. Paul's West
RE: Laneway Names for Ward 2
DATE: Monday, September 26, 2016

RECOMMENDATIONS:

1. That TEYCC approve in principle the names for laneways in Ward 21, and request staff to undertake their due diligence review and report back to the TEYCC as soon as possible.

BACKGROUND:

Ward 21 has about 90 unnamed laneways. As the local councillor, I have been working with a local committee to seek nominations from the community and to vet the names for suitability. I am thankful to the Ward 21 Adjudication Committee for their work in bringing forward the names (my role was to facilitate and I was not involved in the decisions).

The names and locations of the proposed laneways are as follows:

NAME	LOCATION
Fernandez Lane	Running north-south between Vaughan and Durham Avenue
Dov Altman Lane	Running east-west between West Over Hill Road and Menin Road
Art Lives Here Lane	Running north-south between Wychwood Avenue and Kenwood Lane

I understand that the next step in the process is to have city staff review the names and locations of the proposed laneways. I look forward to the report returning to TEYCE as soon as possible.

Sincerely,
