Toronto and East York Community Council  
100 Queen St. West  
Toronto, ON M5H 2N2

Dear Chair and Members,

**NEW BUSINESS REQUEST: Re-opening of Item TE 18.97: Metrolinx – Dufferin Street Long-Term Closure**

**SUMMARY:**

The Toronto and East York Community Council, at its meeting on September 27, 2016 adopted the report from Item TE 18.97 titled " Metrolinx - Dufferin Street Long-Term Closure", and in so doing approved amendments to traffic and parking regulations on Peel Avenue and on Gladstone Avenue, between Queen Street West and Peel Avenue, in order to facilitate traffic flow along the proposed detour route during construction. Due to the congestion from the closure of Dufferin Street, it is necessary to extend the time limits of the stopping prohibition on Peel Avenue and Gladstone Avenue. This revision will address concerns regarding the traffic congestion on the aforementioned streets.

**RECOMMENDATIONS:**

It is recommended that the Toronto and East York Community Council:

1. Re-open Item TE18.97, headed "Metrolinx - Dufferin Street Long-Term Closure", with respect to Parts 1 and 2 of the Toronto and East York Community Council's decision.
2. Replace Parts 1 and 2 in Item TE18.97 with the following new Parts 1 and 2:
  - "1. Enact a "No Stopping, 7:00 a.m. to 10:00 a.m., and 3:30 p.m. to 6:30 p.m., Monday to Friday" restriction on both sides of Peel Avenue, between Dufferin Street and Gladstone Avenue.
