Toronto and East York Community Council
100 Queen St. West
Toronto, ON M5H 2N2

Dear Chair and Members:

NEW BUSINESS REQUEST: Realignment of Permit Parking Area "1A" to exclude 299 Campbell Avenue

SUMMARY:

The development application for 299 Campbell Avenue was approved with a low parking ratio per unit. This action is being taken in order to mitigate the future impact of this development on the current on-street parking supply for residents within the "1A" permit parking area.

RECOMMENDATIONS:

It is recommended that Toronto and East York Community Council:

1. Request the Acting Director, Transportation Services, to review and report back to the Toronto and East York Community Council on November 15, 2016, on the realignment of Permit Parking area 1A and the exclusion of the property located at 299 Campbell Avenue.

Thank you for your consideration.

Sincerely,

Ana Bailão
City Councillor
