To: Members of Toronto/East York Community Council:

This letter is in regards to the request to Amend the Official Plan and Zoning By-Law Application No. 15118233 STE 30 OZ: 875 and 887 Queen Street East, Toronto

As a supporter of the Red Door Family Shelter I would like to express my support for this Application.

We have a number of students who reside in The Red Door Shelter. It is my understanding that the proposed new facility to be constructed as a result of the planning application before you, will be the safe, modern residence that my students and their families desperately need.

I would strongly encourage the members of the Toronto East York Community Council to support the application before you today.

Yours truly,

Emma Nichols
