

City of Toronto,

Session Craft Beer Festival is celebrating its 7th year and will be held on June 11th at Yonge and Dundas Square in Downtown Toronto.

The event is a ticketed event that is open to the public and will host approx. 1500 people per session and we would like to hold 2 sessions. The event will require a liquor license and we would like to be considered for the **Significant Event** status so that we may serve alcohol. These are the approx. times we are looking at:

Session 1 – Saturday June 11th at 11am – 3pm (ticketed)

Session 2 – Saturday June 11th at 5pm – 9pm (ticketed)

At Session Craft Beer Festival we host approximately 30 local craft breweries, local wine and spirits as well as local food for tasting. Primarily, we will be serving samples in portions less than 5oz, but we will have an allocated area and allocated times where people can purchase a full beverage (16oz). Drink tickets will be sold at 2 locations on the grounds so that people may trade them for drink samples.

We will be submitting a security plan where Professional Security and police will be hired to enforce a safe atmosphere and we will be fencing the square and bringing in portable bathrooms and water stations.

Please feel free to contact us with any questions or concerns and we thank you in advance for your consideration,

Sincerely,
Jed Corbeil
