To the Community Council of Toronto and East York:

We are hoping the following event will be designated as one with Municipal Significance. This is so that our member businesses can easily submit Special Occasion Permits to the Alcohol and Gaming Corporation. Please take the time to review the request so that you may put it on the agenda for approval.

Event: Ossington Avenue Festival

Location: The Ossington Avenue Business Improvement Area

Purpose: To promote and celebrate the neighbourhood and the businesses and bike racing

Date: July 23, 2016

Time: 10:00AM - 12:00AM

We ask that you please grant the municipal significance for this community event/festival.

Thank you for taking the time to review the request.

Sincerely,

Elise Muraca
