**Re: Report 15.26 - 500 Lake Shore West Public Art Plan**

On February 9, 2015 I wrote to TEYCC regarding this development. At that time, I addressed issues relating to unit mix and size as well as the allocation of Section 37 benefits.

This time, I am writing about the Public Art Plan for this development.

I draw your attention to Attachment 1 to the Staff cover report  
<http://www.toronto.ca/legdocs/mmis/2016/te/bgrd/backgroundfile-91466.pdf>

More specifically, I draw your attention to **Item 11** of this attachment which lists the names of artists under consideration.

There appears to be a **significant under-representation of women** on this list. There ought to be a requirement for list of artists under consideration to reach the principle and goal of **gender-equality**. It is, after all, 2016.

I have provided these comments to Councillor Cressy.

Yours truly,
