To Whom It May Concern,

I am writing in regards to seek approval for a patio extension this summer during Pride Toronto. We are located at 475 Church Street, downtown Toronto. We are hoping to extend our patio 5' of the south curb lane of Maitland Street, adjacent to the extant patio at our location beginning at 6:00pm on Friday July 1st until 11:00pm on Sunday July 3rd. Pride weekend is our busiest weekend of the year and we would like to have the opportunity to increase our sales as much as possible during that time. We are looking for a letter of non-objection from the Toronto East York Community council in order to apply to the AGCO and get final approval.

Please feel free to contact me at any time by phone or email.

Thank you for your time,

Emily Hay
