RE: Request for Letter of Municipal Significance

In partnership with the Leslieville Flea, I'm requesting a Municipal Letter of Significance for a new annual event celebrating the history and heritage of the Distillery Historic District, 55 Mill Street.

The SOP will be requested for:

Saturday, June 25, 2016

11:00am – 1:00am

The extended liquor licensing will allow for alcoholic beverages in plastic cups to be carried along the following pedestrian areas within the boundaries of Mill Street, Parliament Street, Cherry Street, and the south parking lot (see map attached) inside The Distillery Historic District:

There will be an estimated 8,000 people in attendance during the SOP times of this event.

Documentation of The Distillery Historic District's official participation in the Leslieville Flea Event, and more information about the event can be found at: www.thedistillerydistrict.com.

If you have any questions or require further information, I can be reached at 416-507-3454.

Thank you for your attention to this matter.
