To Whom It May Concern:

Ignite Artist Movement Inc. is hosting an event called **Bastid's BBQ** on Sunday, July 17th 2016 from 2:00PM to 10:00PM at Honest Ed's at 581 Bloor Street West, Toronto, ON, M6G 1K3.

This event will be held in the parking lot behind Honest Ed's. Licensed security guards will supervise the space. In previous years this event was held at the parking lot on the corner of Queen & Peter, and the parking lot on the south end of Richmond Street between Duncan & John, in 2014 and 2015 respectively.

Bastid's BBQ is one of its kind in Canada and is a celebration of music and food, curated by world renowned DJ Skratch Bastid. These events happen yearly across the country and unite people over a day of great music provided by a cast of world-class DJs, surprise special guests and prime barbeque cooking from some of Canada's premier local food purveyors. For our event in Toronto this year, La Carnita, Home of the Brave, and Sweet Jesus will be selling the food. The event is put on in partnership with Red Bull Canada, who provides us with their Tour Bus, which opens up to reveal the stage and sound system.

Please contact me if you have any further questions.

King regards,
