Re: **Significant Event Designation**

Dear Council members:

From September 2-5, 2016 Epilepsy Toronto will present the 17th annual Toronto International Buskerfest for Epilepsy Festival. Held over 4 days the festival features international street performers from all over the world, as well as many local ones. For more information you can visit our website at www.torontobuskerfest.com.

We are looking to designate this festival an event of municipal significance. The geographic area for this year's event will be Woodbine Park in the Beach. We will be applying for an SOP permit to serve alcohol in a beer garden during the festival. Event times are Friday September 2 & Saturday September 3, Noon – 11:00 p.m; Sunday September 4, 11:00 a.m. – 10:00 p.m. and Monday September 5 at 11:00 a.m. to 8:00 p.m.

Please forward this request to the community council for their and your approval for municipal significance of this event. We will submit our application to the Alcohol Gaming Commission once the letter is received from the City. It would be appreciated if the letter could be emailed to us as soon as possible at tornadotaylor@icemice.ca

Respectfully yours
