Attention: Mr. Chairman and Members of Committee

Dear Mr. Chairman and Members of Committee:

**Re: TOcore: Updating Tall Building Setbacks in the Downtown – City-initiated Official Plan Amendment and Zoning By-law Amendments
 Toronto and East York Community Council Agenda Item TE17.14**

We are the solicitors for The Daniels Corporation (“**Daniels**”), and write to express concern about the Toronto and East York Community Council’s consideration of Item TE17.14 scheduled for June 14, 2016.

The consideration of Item TE17.14 on June 14, 2016, by Community Council is premature and the item should be deferred.

Daniels has interest in lands within the area encompassed by the proposed Official Plan Amendment and Zoning By-law Amendments advanced for consideration in Item TE17.14. Daniels has reviewed the proposed Official Plan Amendment and Zoning By-law Amendments and is concerned about the potential negative impacts of the proposed planning instruments on its current and planned development projects.

In particular, Daniels notes that insufficient public consultation has occurred with respect to the proposed Zoning By-law Amendments, with the proposed language being released for review only days before the item is heard by Community Council.

Such that appropriate review and public consultation can take place, and such that the Official Plan Amendment and Zoning By-law Amendments may be considered together in such consultation, we request the deferral of Item TE17.14.

Yours truly,

Cassels Brock & Blackwell LLP
