To the City Clerk:

Please add my comments to the agenda for the September 7, 2016 Toronto and East York Community Council meeting on item 2016.TE18.7, Final Report - TOcore: Updating Tall Building Setbacks in the Downtown - City-Initiated Official Plan Amendment and Zoning By-law Amendments

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments: The Annex Residents' Association strongly supports the proposed OP Amendment and Zoning By-law Amendments. They represent good planning and urban design practice and should be approved by Council without delay.

Yours sincerely,
Edward Leman
