Re: Request to Attain Municipal Recognition for the 6th Annual Toast to Autumn

Bloor by the Park BIA is hosting its sixth annual fall festival, Toast to Autumn, on Sunday **October 23rd** at **Lithuanian House** (1573 Bloor St W) from **12-7pm**. Activities will include live entertainment, food and drink booths, arts and crafts vendors, giveaways, children's activities and various other interactive activities such as pumpkin carving, photobooth, etc. Admission is free to the public.

As in past years, some participating local bars/restaurants will be offering seasonal beer and specialized alcoholic beverages to age-appropriate patrons while at Lithuanian House. Due to this promotion, the BIA is once again requesting a letter of municipality in regards to approving an SOP from the AGCO.

The BIA understands all provisions associated with acquiring the SOP, and security is hired to maintain the safety of the public.

Toast to Autumn is a charming, fun-filled event that enhances community relations within Bloor by the Park, its surrounding neighbourhoods, and visitors from beyond the GTA. Participating businesses and sponsors are able to promote their wares and services while ultimately taking the opportunity to welcome and thank their patrons.

Thank you kindly for your time and consideration,
