Dear Board of Directors:

As part of our annual audit of your financial statements for the year ended Saturday, December 31, 2016 we wish to report to you on our findings.

We wish to thank M. Garner and the organization's staff for assisting us during the audit. Based on our materiality of \$55,000 there were no identified items that have not been adjusted for.

We would like to report to you the following financial reporting matters:

*Related party transactions*

We have not identified any related party transaction in the course of our audit.

*Other matters*

We have not noted any significant internal control matters. Though the segregation of duties is important to having a high degree of internal controls, we understand that this may not be feasible due to the limited number of personnel in the accounting and finance areas.

We would be pleased to discuss these items with you in more detail and assist you with any such implementation that you require.

Yours very truly,

ROSENSWIG McRAE THORPE LLP
