RE: PG 18.5 – Technical Amendments to By-law 569-2013

I am writing on behalf of 462226 Ontario Limited, owner of the property municipally known as 295 Jarvis Street, to express our concerns with the amendment proposed to Bylaw 569-2013 in the above-named report.

In particular, these concerns include that the proposed standards may not be suitable in all site-specific circumstances, and the absence of appropriate transition provisions.

We request that Council not approve these proposed amendments and refer the report back to City Staff to allow for such appropriate adjustments to be made.

Sincerely,

Allen Memick, President
